Director of Geology, No 23 & 6.7.23 Requests that he may be permitted to draw the increment of Rs 25/- as Senior Geologist with effect from the 9th May 1923, the date of his return to duty from long leave. In G.O. No 4099-4102/Geol. 19-22-30 & 29th Dec. 1922 Mr. Sen was permitted to continue to draw leave allowances as Senior Geologist according to the old (500-25-600) & the question of the place to which he should be permanently posted on return from leave was reserved for separate consideration. The permanent status of Mr. Sen during his employment as acting Director of Geology is that of a supernumerary officer in the Department of Mines & Geology on the pay he was drawing as Senior Geologist. Submitted for orders. 12/7/23. Please put up No. 5150/C.B. 111-22-5 & 7-5-23. C.B. 111-22 Sl 5 containing the memo referred to is put up. 19/7/23. There seems to be a great deal of force in Mr. Sen's claim to the increment of Rs 25/-

asked for by him -

The increment fell due to Mr Sen on 1st June 1922, that is, over a month before his place was abolished - He virtually became entitled to the pay of Rs 600/- on 1st June 1922, tho' he could not draw it till his return to duty.

Though his place was abolished it seems ~~Mr Sen was at all along~~ to have been the intention that Mr Sen should be treated as a Senior Geologist, supernumerary during his leave. On his return his position was that of Senior Geologist Supernumerary, acting as Director of Geology and he was allowed to draw his grade pay as Senior Geologist, plus acting allce - that grade pay seems would therefore appear to be Rs 600/- the moment Mr Sen rejoined duty in Mysore -

This request might under the circs. be allowed - The only difficulty of the Comptrollers seems to be the communication sent to him with the G.O. of 7th May 1923 stating that the status of Mr Sen during

From A. M. SEN, Esquire, M.Sc., F.G.S., &c.,
~~B. JAYA RAM, ESQUIRE, B.G.S.,~~
Offg. *Director, Mysore Geological Department.*

To

K. Matthan, Esqr., B.A.,
Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

With reference to the Government Order No.5571-2/C.B/11-22-7, dated the 13th June 1923, directing that during the period I have to act as Director of Geology in place of Mr. Jaya Ram, on Combined Leave, I should be allowed to draw my grade pay as Senior Geologist (Supernumerary) together with the acting allowance calculated on the minimum pay of the Director of Geology in the grade of Rs.1000-50-1200, I have the honour to state as follows:-

1. Under Government Order No.7041-7100/Geol.69-18-11 dated 18th September 1919, I was appointed as Senior Geologist in the grade of Rs.500-25-600 from 1st July 1919 and that while I was drawing the pay of Rs.575/- per mensem from 1st July 1921, I availed myself from 9th November 1921, of the Combined Leave of one year granted to me in Government Notification No.2687/C.B. 11-21-5, dated 25th October 1921.

2. The next increment of Rs.25/- per mensem bringing my pay to its maximum fell due on 1st July 1922, but as I was on long leave, I did not draw it as per Art.43 of the Mysore Service Regulations.

3. While I was on leave, the appointment of Senior Geologist

Geologist was abolished under Government Order No.I.C. 974-1033/Geol.19-22-6, dated 9th August 1922, and my services were transferred to the Bhadravathi Iron Works as stated in para 3 of the said Order.

4. Under Notification No.5151/C.B.52-22-2, dated the 26th September 1922, the Combined Leave of one year granted to me from 9th November 1921, was extended by six months and on the expiry of that leave, I reported myself for duty on the 9th May 1923, and I joined this office as Senior Geologist (Supernumerary).

5. On the grant of Combined Leave to Mr. B. Jayaram, Director, for one year and four months from the 15th May 1923, the Government were, in their Order No.5142/C.B. 111-22-5, dated 7th May 1923, pleased to appoint me to act as Director of Geology during the period (or until further orders).

6. On the presentation of my pay bill for May 1923, for audit in the Comptroller's office, the Audit Department disallowed my claim both to my grade pay at Rs.600/- per mensem and my acting allowance as Offg. Director of Geology. On a reference made to the Comptroller, he stated in his D.O. No.G.A.D.648, dated 20th June 1923 (copy submitted herewith) that the increment of Rs.25/- which I should have drawn from the date of my return to duty from long leave cannot be admitted, since the appointment of Senior Geologist has been abolished as per Government Order referred to in para 3 supra. In this connection, I beg leave to state that although the appointment of Senior Geologist was abolished by the Government Order of 9th August 1922, yet, to all intents and purposes, it was not so, since the Government were in their subsequent order of 26th September 1922, pleased to grant me an extension of six

months

months' leave as Sonior Geologist and were also kind enough to permit me to draw my leave allowances under the same designation until I returned to duty in May 1923. (vide Government Order No.I.C.4099-4102/Geol.19-22-30, dated 29th December 1922). I may also add that, on the abolition of the appointment of Senior Geologist, I stood transferred to the Bhadravathi Iron Works evidently on the same grade of pay as I held at the time. As explained above, the increment of Rs.25/- which I should have drawn on 1st July 1922, had I not been on long leave, fell due on my return to duty on the 9th May 1923. Further, I beg to state that, if the increment due is held back, it will affect the rates of travelling allowance admissible to me as an Officer of the Second class under Article 539 A of the Mysore Service Regulations.

7. Under the circumstances, I beg that Government may be pleased to accord sanction to the grant to me of the increment of Rs.25/- with effect from 9th May 1923, the date of my return to duty.

I have the honour to be,

Sir,

Your most obedient servant,

A. M. Sen

D. O. letter No.GAD.648, dated 20th June 1923, from the Comptroller to the Government of His Highness the Maharaja of Mysore, to the Offg. Director, Mysore Geological Department, Bangalore.

I am in receipt of your demi official letter of the 11th instant, and am sending herewith a salary intimation slip authorizing you to draw acting allowances on the minimum pay of the appointment of the Director as per Government Order No.5571-2/C.B.111-22-7, dated 13th June 1923.

As regards the incremental pay to which you refer, as per instructions communicated to this office in the Chief Secretary's endorsement No.5150/C.B. dated 7th May 1923, your permanent status during your employment as Acting Director of Geology will be that of a supernumerary officer on the pay you were drawing as Senior Geologist. You were drawing Rs.575/- and the same has been admitted by this office in audit. The increment of Rs.25/- which you could have otherwise drawn from date of return to duty from long leave had the appointment itself not been abolished in Government Order No.I.C.974-1033/ Geol.19-22-1, dated 9th August 1922, cannot in the above circumstances be admitted.
